Description

This dual-cabin cruiser features sleeping accommodations for four with two berths—one in the forward bow and another amidships—making it ideal for overnight excursions. Just below deck is a fully equipped galley, and the forward berth converts to a dining area. A fully enclosed standup head includes mirror, overhead lighting, generous storage, sink, manual-flush toilet, and shower. Lots of space, numerous standard features, many options to choose from, and the 250CS is still easily trailerable to endless destinations.
