Description

Fine design has been an Italian tradition for centuries. The Azimut 62 adds yet another chapter to this nation's rich history of artistry and craftsmanship. The 62 is not only a stylish boat, it is also a spacious boat — and that gives its eye-catching design elements a remarkable showcase. Flowing curves move the eye from one part to another. The lines of the windows and the superstructure evoke motion. The interior spaces gently sweep from one to the next. Azimut 62 offers uncommon luxury and styling — along with a practical layout, peppy performance and seaworthy cruiseability. This is a boat that will not only turn heads, but also will put a permanent smile on the skipper's face.
