and bathroom complete with a shower are both there for the guests convenience.

The open main deck is perfect for sun enthusiasts

A comfortable guest cabin sleeps two, while the privacy is ensured by the full sized doors. Plenty of storage space will come in handy during longer cruises.

The galley down below comes equipped with a cooker, fridge and a pantry - great for preparing small meals on the go and serving refreshments.

Down below, the main area has a settee with a table, which can be lowered to transform it into an extra bedroom for the night.
