### DESCRIPTION

The Sea Ray Sundancer 285 fits an astonishing amount of liveability into eight or so metres. It's not a boat the dedicated fisherman would buy, but for the growing number of people who just want to be on the water in a non-threatening size of boat it offers a lot. Appearance is on the bulky side though sweeping lines make a good job of reducing the effect, and the boat's sheer capacity justifies the format. There is standing and elbow room wherever you could ask for it, and a great steadiness that is reassuring with a bunch of people on board and moving around.
