DESCRIPTION

A 27' bowrider is a big boat and a 27' deckboat is even bigger. Add to that a pickle-fork bow, a stepped hull, higher freeboard, a large head, and a 21-degree deadrise bottom at the transom and you have the makings of an all-day party boat on the water. Regal has pulled out all of the stops with its new 27 FasDeck. If you want to crank her up to full watersports mode, then you'll want the RX version.
