BRAND NEW YACHT

630 *BOW RIDER*

After the success of Parker 750 CC and 750 DC last year, the company Parker decided to introduce two completely new units: The Parker 630 Sport and Parker 630 Bow Rider which are based on the same hull. Parker Sport 630 is an open boat with a central console, while Parker 630 Bow Rider has a central passage through the console and a control station at the starboard side. In either version a V-shaped sofa is placed at the front, with a space for a table or for an optional sunbed.
