PARKER
EXCLUSIVE UAE DEALER

BRAND NEW YACHT

660 *PILOTHOUSE*

The Parker 660 has been designed for fishing but with two objectives in mind: to get quickly to a given place safe and to accommodate on board a reasonable size fishing group. The 'V'-shaped hull of Parker 660 Pilothouse works particularly well at sea and gives an exceptionally stable and dry ride at speed even in difficult conditions. The Parker 660 Pilothouse is the only one in its range to be approved Category B (RCD). The boat can reach speeds of 35 knots with a 150 HP engine.
