GALEON 370 HTC

BRAND NEW YACHT

370 HTC

The distinctive 370 HTC shares the hull design and main features with the 360 FLY offering a more sporty silhouette and a large glass sunroof over the helm station. With a customizable interior, a great floor plan and competitive performance it is a highly anticipated addition to the Galeon third-generation lineup.

The hardtop version of the successful 360 FLY model offers a more dynamic silhouette while maintaining all the clever interior features of its flybridge sibling.
