EXCLUSIVE UAE DEALER

BRAND NEW YACHT**480 FLY**

Experience the next level of maritime luxury with the highly anticipated debut of the Galeon 480 FLY, meticulously crafted under the visionary guidance of naval architect Tony Castro. Our primary objective was to expand the deck area and welcome abundant natural light into the interior by incorporating generously oversized windows on both the main and lower decks.

The flybridge comes equipped with two distinct seating areas, a wet bar and a fully equipped top steering station. The beloved Beach Mode makes a triumphant return, charming with partially glazed balconies, effectively expanding the usable cockpit space when you decide to drop anchor. The aft seating will feature a stow-away grill option accessible from the hydraulic platform.
